

Election Notice

NWISA, 2024-26

As per the earlier NWISA election schedule the last date of receiving of Ballot Paper was fixed on 04/05/2024 and counting on **05/05/2024**. Till date returning officer has received very small proportion of ballot papers. Needless to add that Lok Sabha Election is going on and many officials are deputed on election duty, due to which the delivery of posts/ letters is slow. Keeping in view the delay in receiving Ballot papers, the election schedule of NWISA has been extended. The revised date of receiving the ballot papers is on **08/05/2024** and counting of ballot papers will take place on **09/05/2024**
