The process for electing a Managing Committee for NWISA for the period 2022-24 is thus complete.

The Secretary NWISA may now please take back control of the NWISA email id from the Returning Officer which had been placed under the control of the RO for the purpose of this election; reset the password for the NWISA email.

Should any constitutional infirmity in the candidature of any of the elected candidates come to light subsequent to the elections, the Managing Committee of NWISA could decide to replace that candidate and nominate someone to that position. This would be in accordance with the NWISA Constitution.

**Recommendation for the General Body of NWISA:**

It is recommended that the General Body of NWISA make a change in the Constitution of NWISA to include the possibility of elections through electronic means such as Google Forms. Google Forms has a tried and tested app which ensures the conduct of fully anonymous voting by anyone who has an email id. The only pre-condition would be to register one email id per voter with the NWISA.
